

F.U.S.

I'm Gravy, and you're not

All powdered gravy tastes like powder,
and packet gravy tastes like packet.
You need real gravy, and you need it now.

That's what all the F.U.S. is about.
It's real, hand-made gravy.

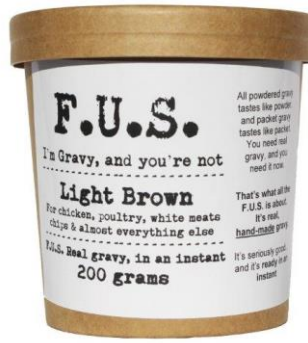

It's seriously good... and it's ready in an instant

Dark Brown

For beef, lamb, red meats
sausage rolls &
almost everything else

That's it.. it's real, it's simple, and it's perfect every time

Storage: Keep Frozen. Once defrosted, refrigerate & use within 5 days.

Heating: For best results, defrost first.

Stovetop: Empty contents into a saucepan (gravy-pan). Heat until just boiling. Stir occasionally.

Microwave: In this container, with lid resting on top, 90 seconds on high. Stir & rest lid back on top. Another 30 seconds on high. Stir, & serve.

From frozen... Stovetop: Simply heat slowly in gravy-pan to thaw, then as above.

Microwave: Covered, 2 ½ minutes on high. Stir. One minute on high. Stir. One minute on high. Stir & serve.
